

## Partner Qualification for SAP Model Company

SAP hereby confirms that partner

**Capgemini**

has successfully achieved

### **SAP Qualification for SAP Model Company, solution level**

This certificate confirms that the partner has fulfilled the requirements as specified in the Partner Qualification Guide and has agreed on an engagement model with SAP for SAP Model Company and SAP Value Assurance.

This certificate confirms the partner's commitment to enable resources, utilize the integrated delivery framework, create and apply a joint go-to-market strategy, and work together to promote customer successes for SAP Model Company and/or SAP Value Assurance. As a partner qualified at the solution level, this certificate also confirms the partner's commitment to include SAP Model Company in its portfolio and build solutions on top of SAP Model Company.

The qualification is valid until 30 June 2021.
